Haven't even mailed him yet!? It is already the 8th day of the summer holidays don't you realize that !!
Bu... But I still have some fear in me.
Un.. It seems so.....
Hey, what is with that expression!? Don't tell me that you...
You are right. I am really incompetent.
Come on... You were able to confess to him but you can't even mail him at all...
I am still 100 years too early to even try mailing Tokuzawa.
What an incompetent girl!
If I try to get myself more involved with Tokuzawa
my hands will start to shake and I can't think straight.

You couldn't even make a decision on your own.
What are you gonna do, Ai?
You are always following behind me.
Back then, during your elementary school years... Aren't you guys close together?
So it seems
Hmm
He gave you his email and you must put some effor t into it too.
I wonder if that is possible ...
Yep, it is.... That lion will yield to no one you know.
If Maimin does something, I will do it too.
I was taken by surprise when you actually confess to him all by yourself.
So you should be more confident of yourself.
Recently, the Ai that I know is shining brightly from within.
Maimin...

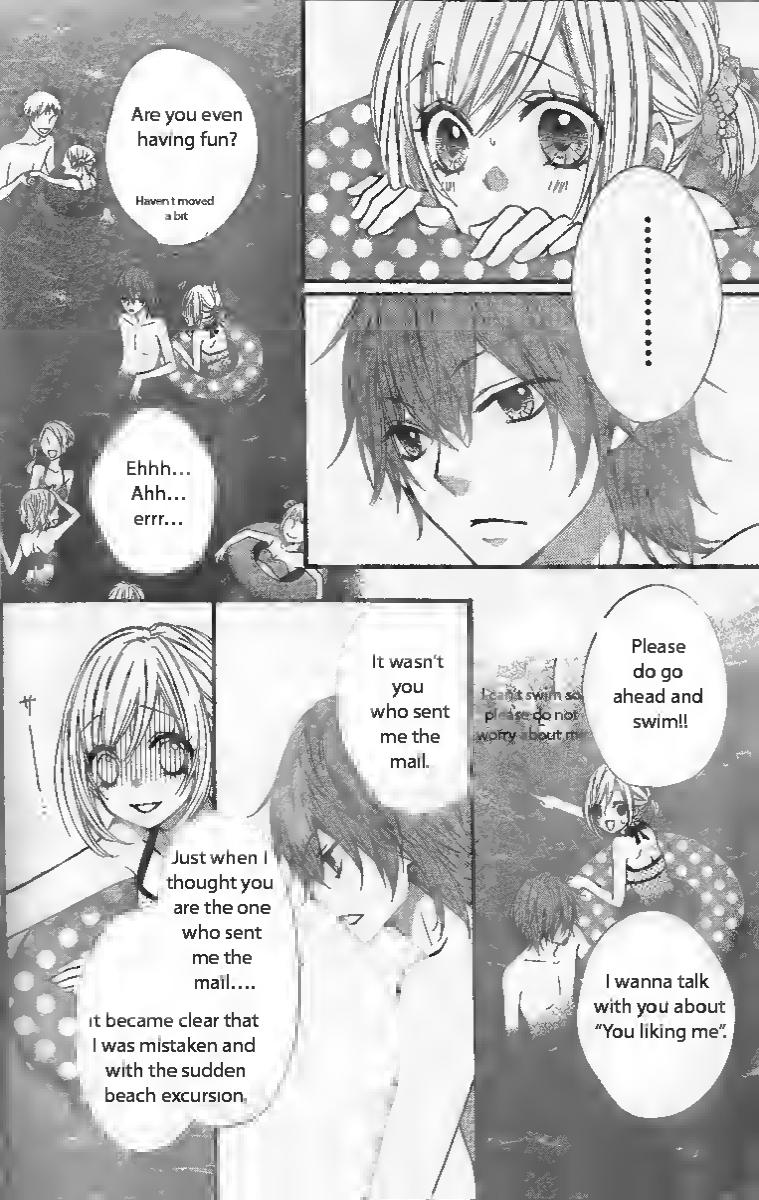
If I do wait for you… the day will be over.
He is getting impatient ….
Let' go and swim.
I am so sorry…
Nah, don't worry.
It is not about the floaty.

Maimin already has a boyfriend …
Then why the hell did you girls come here for!!?
The same goes for us
Fuu I am sweating
It is really nice
Yeah.. Nice.
The beach is really nice isn't it…..
We came for Ai.
How about our summer?
What an affectionate friendship
I wonder how they are doing at the moment?
Shouldn't we just leave the couple alone?
It is really unusual for Taiyou to have an interest in girls
It could be his first time
I knew it, we have the same thoughts
She will be pressured because
she is Ai after all…..



Are you even having fun?
Haven't moved a bit
Ehhh... Ahh... errr...
.....
Please do go ahead and swim!!
I can't swim so please do not worry about me
I wanna talk with you about "You liking me".
It wasn't you who sent me the mail.
Just when I thought you are the one who sent me the mail....
it became clear that I was mistaken and with the sudden beach excursion

You..
You are angry at me right?
I don't even understand what you are trying to do.
Just what do you want me to be!!
Even Taiyou too....

You know.... He is a little bit thick-headed.
He just follows his instincts.
What about the rumors?
Him and the girls
It is just a rumor isn't it? In reality, most girls are so afraid of him that they don't dare to approach him
It has been like that since Junior High School
It seems Ai has taken a liking towards him
Ah... Both of them are returning.
Oi !! Over Here, Over Here
こっち～
A distance between them.
Aren't you guys standing rather far apart?
Eh?
すき
Ai, mind telling me what just happened ?
Maimin ....

I....
I am going to buy some drinks...!!
Ehh... wait... Ai!?
I didn't do anything...
Then, why is she crying!!?
You made her cry didn't you!!
You...
I wanna hear about it right here!!!
Just what do you want me to be!!
あわわわ

But.....
that wasn't sufficient.
This was
Why didn't I say it out?
because the mail didn't even come from me.
I wanted to go on a date with you.
Going
Um... What
do I want Tokuzawa to be?
Ehh I think I brought too many?
I was able to utter the word "I like you".
With my courage .....
This time for sure, I will convey my feelings to him.

That is right…
I am not yet ……..
Sor…..
Ouch!!
Kyaa…. Yoshi… are you alright?
Sor… I am sorry …..!!!
Are you alright?
This is bad …… damn you
My bone just fractured.
How are you gonna take up the responsibility?
You better compensate for the bills.
That is… No way!!

What the hell do you think you are doing?!!
Please do not use a watermelon to hit a person
To hell with the compensation.
Aren't you making a big fuss about it?

You are kinda dense you know..
Maximum anger
You wanna try me?
As expected of you, Granny Ai.
For god's sake… what were you doing?

I have tried many times to mail you but…
I became too nervous to do so….
I am so sorry for being so incompetent
What do I want from him
I came to realize after thinking about it
However…
I have yet to…..
There are still a lot of things I wanna convey to you…
I am so sorry…

I...
Want to spend more time together with you.
Ehh...
Both of them are over there ...!

Ahhh !!!!
Kyaa...
.....If that is the case..
Let's go on a date.

I like you too, Ai.
Ai!!!!!
Wah!
This is like a date too right?
You are right but that was kinda too fast…
The boys are so sneaky…
I agree..
Things such as love…..

They became closer…
That was really fun.
I will be at ease if I don't think about it…
That was what I thought some time back.
I wanna go on a date with him right now..
And to fall in love with him.

As of now,
my world....

Is radiating brightly.
You are so sneaky …
Ehh… Why so?
And the happiness
Ai

Your mail was long...
Tokuzawa, I am aware you would always use short sentences.
Just like 1 single sentence.
Please stop calling me Tokuzawa
The summer holiday is about to end too
Ehh...
You can just call me "Taiyou".
Ta....

Ta....
Tata...
Taiyo ....
Ah.... Forget about it...
!!
Ah..
The sunflowers
I see... you really like the sunflowers a lot
To be frank My granny was the one who gave me this name
I even grew them at the school.
Yep.
About that.....
It was for you, Tokuzawa.

and she would often talk about this flower.
This was the first flower that my grandpa presented to my granny.....
In English, I will be known as Sunflower...
You are the only one that I will set my eyes upon....
!!!
かぁぁぁ

Taiyou
This is because you will always look straight back at me,
Undoubtly, I will keep on shining brighter than ever.
